#### **CHANGING SKIN FELT COLOR INSTRUCTIONS:**

- 1) Print this template file. Make sure you DO NOT SCALE the document when you print.
- 2) Trace template shapes and any embroidery lines on to a piece of white tissue paper.
- 3) Pin shapes on to felt colors of your choice and cut out shapes.
- 4) Embroider any embroidery lines right over tissue paper and pull tissue paper away when finished.
- 5) Sew pieces down per instructions in booklet.
